Search Terms and Phrases

A blank sheet of paper on which to write down all the terms and phrases you might use to search for images on people and places in the 18th and 19th centuries. That can be somewhat intimidating. So to get you started some terms and phrases you might start with are below. Add your own to the list.

- buildings
- new york city buildings
- courthouse
- costume
- bridge
- fire department
- children
- office
